# БУДОВА СЛОВА

A stylized, colorful illustration of a train engine. The main body is red, with a blue top section and a green bottom section. The wheels are red with blue centers. The text 'ПРЕФІКС' is written in white, serif font on a light blue background strip across the middle of the red section. A white L-shaped line is positioned below the text.

ПРЕФІКС

A colorful cartoon train engine. The main body is pink, with a yellow rectangular sign in the center containing the word 'КОРІНЬ' in black, bold, serif Cyrillic letters. Below the sign is a white curved shape. The bottom section is green. The train has a dark blue roof, a dark blue horizontal bar connecting two red wheels, and two red wheels with light blue centers. Black shapes on the sides represent the front and back of the engine.

СУФІКС

A stylized illustration of a train car. The car has a green roof, a yellow body, and a green base. A red rectangular box is centered on the yellow body, containing the Cyrillic text 'СУФІКС' in white, serif font. The car is supported by two red wheels with blue centers, connected by a dark blue axle. Black shapes on the sides represent couplers.
